SUBJECT : Local Noise Control Ordinance, Ansonia, Connecticut

Dear Ms. Bottone:

Based on review of the ordinance (copy attached) my staff has determined that the ordinance conforms to state noise control standards. The Commissioner of Environmental Protection has delegated the authority (with respect to Connecticut General Statutes Chapters 446a and 446c) to approve local noise ordinances to the Chief of the Bureau of Air Management. Therefore, pursuant to Connecticut General Statutes Section 22a-73(c), I approve Ansonia's Noise Control Ordinance as adopted by the Board of Alderman for the City of Ansonia on March 13, 2001.

If you have any questions regarding this matter, please contact Mr. Joseph Foutz, P.E. at (860) 424-3027.

Sincerely,

A handwritten signature in black ink, appearing to read "Carmine DiBattista".

Bureau of Air Management
