Re: Coronavirus Relief Fund (CRF) Reporting and Record Retention Requirements

On July 2, 2020, the Office of the Inspector General for the Treasury Department issued guidance about reporting and records retention related to the Coronavirus Relief Fund (CRF). This guidance is attached for your information. As the prime recipient of CRF funds, the Office of Policy and Management will submit required reports to the Treasury Department; state agencies and municipalities will not need to submit reports to Treasury, but may be contacted by OPM to assist in providing information required by Treasury for such reports.

Agencies and municipalities should pay particular attention to the records retention requirements detailed on pages 3-5 of the attachment. Records that must be retained include, but are not limited to:

1. general ledger and subsidiary ledgers used to account for (a) the receipt of Coronavirus Relief Fund payments and (b) the disbursements from such payments to meet eligible expenses related to the public health emergency due to COVID-19;
2. budget records for 2019 and 2020;
3. payroll, time records, human resource records to support costs incurred for payroll expenses related to addressing the public health emergency due to COVID-19;
4. receipts of purchases made related to addressing the public health emergency due to COVID-19;
5. contracts and subcontracts entered into using Coronavirus Relief Fund payments and all documents related to such contracts;
6. grant agreements and grant subaward agreements entered into using Coronavirus Relief Fund payments and all documents related to such awards;
7. all documentation of reports, audits, and other monitoring of contractors, including subcontractors, and grant recipient and subrecipients;
8. all documentation supporting the performance outcomes of contracts, subcontracts, grant awards, and grant recipient subawards;
9. all internal and external email/electronic communications related to use of Coronavirus Relief Fund payments; and
10. all investigative files and inquiry reports involving Coronavirus Relief Fund payments.

Records must be maintained for a period of five (5) years after final payment is made using Coronavirus Relief Fund monies. These record retention requirements are applicable to OPM as well as to all grantees and

subgrant recipients, contractors, and other levels of government that receive transfers of Coronavirus Relief Fund payments from OPM.

Thank you for all of your hard work on behalf of Connecticut residents and businesses impacted by the pandemic. Please contact your assigned OPM analyst if you have questions about the above guidance.

MEMORANDUM FOR CORONAVIRUS RELIEF FUND RECIPIENTS

FROM: Richard K. Delmar /s/
Deputy Inspector General

SUBJECT: Coronavirus Relief Fund Reporting and Record Retention
Requirements

Title VI of the Social Security Act, as amended by Title V of Division A of the *Coronavirus Aid, Relief, and Economic Security Act* (Public Law 115-136), provides that the Department of the Treasury (Treasury) Office of Inspector General (OIG) is responsible for monitoring and oversight of the receipt, disbursement, and use of Coronavirus Relief Fund payments. Treasury OIG also has authority to recover funds in the event that it is determined a recipient of a Coronavirus Relief Fund payment failed to comply with requirements of subsection 601(d) of the Social Security Act, as amended, (42 U.S.C. 801(d)). Accordingly, we are providing recipient reporting and record retention requirements that are essential for the exercise of these responsibilities, including our conduct of audits and investigations.

Each prime recipient of Coronavirus Relief Fund payments¹ shall report Coronavirus Disease 2019 (COVID-19) related "costs incurred" during the "covered period"² (the period beginning on March 1, 2020 and ending on December 30, 2020), in the manner of and according to the timelines outlined in this memorandum. As described below, each prime recipient shall report interim and quarterly data and other recipient data according to these requirements. Treasury OIG is working on development of a portal with GrantSolutions³ that is expected to be operational on

¹ Prime recipients include all 50 States, Units of Local Governments, the District of Columbia, U.S. Territories, and Tribal Governments that received a direct payment from Treasury in accordance with Title V.

² Refer to Treasury's guidance dated June 30, 2020 for more information on costs incurred and the covered period.

³ A grant management service provider under the U.S. Department of Health and Human Services.

Treasury OIG will notify each prime recipient when GrantSolutions is operational or of any changes to the expected September 1, 2020 start date.

Interim Reporting for the period March 1 through June 30, 2020

By no later than July 17, 2020, each prime recipient is responsible for reporting costs incurred during the period March 1 through June 30, 2020. For this interim report, prime recipients need only report totals by the following broad categories:

- a. Amount transferred to other governments;
- b. Amount spent on payroll for public health and safety employees;
- c. Amount spent on budgeted personnel and services diverted to a substantially different use;
- d. Amount spent to improve telework capabilities of public employees;
- e. Amount spent on medical expenses;

Recipients should consult Treasury's guidance and Frequently Asked Questions in reporting costs incurred during the period March 1 through June 30, 2020. The total of all categories must equal the total of all costs incurred during that period. A spreadsheet is attached for your use in providing the data. As discussed below, the prime recipient will be required to report information for the period March 1 through June 30, 2020 into GrantSolutions once it is operational.

Interim reporting information should be submitted to CARES@oig.treas.gov
