SUBJECT: Affirmative Action Requirements and Standard Statement of Assurances:
Contracts and Grants for Fiscal Years 2001-2003

The State Commission on Human Rights and Opportunities (CHRO) requires that all state contracts and grants include the provisions of Conn. Gen. Statutes 4a-60 and 4a-60a regarding nondiscrimination and affirmative action. Further, CHRO, which has the statutory responsibility to review, monitor and enforce these laws, requires all state agencies to collect information concerning the affirmative action practices of their contractors and grantees. The attached "Affirmative Action Requirements and Standard Statement of Assurances" has been prepared by the Department of Education to collect information required by these laws and the Administrative Regulations of Connecticut State Agencies (section 46a-68j-21 through 43).

Rather than filing a separate Affirmative Action Requirement and Standard Statement of Assurances with each grant application or contract, local and regional boards of education and regional educational service centers may file the enclosed packet and statement once for the biennial period July 1, 2001 – June 30, 2003.

The documents you submit under this request are public information, are shared with CHRO, and are assumed to be both accurate in their information and implemented as stated. Failure in either regard could result in a loss of state and federal funds as a result of action by this agency or other governmental body.

The biennial filing shall be used by the department to report the appropriate data to CHRO pursuant to state regulations. However, please note that if your grant or contract calls for the use of a subcontractor, you must file a completed "Contractor's Minority Business Enterprises Utilization Form" with that particular grant or contract.

The Connecticut State Department of Education "Standard Statement of Assurances" for all federal and state grants and contracts is a separate document unrelated to the Affirmative Action Requirements, but with one biennial submission significantly reduces paperwork.

The completed requirements for your biennial filing is due on or before June 8, 2001, at the following address:

Affirmative Action Office
State Department of Education
165 Capitol Avenue (Room 270)
P. O. Box 2219

NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Section 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Section 46a-71(d) and 46a-81 i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies which establish a procedure for the awarding of all contracts covered by Sections 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, *every agency awarding a contract subject to the contract compliance requirements has an obligation to "aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials."* "**Minority business enterprise**" is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: "**(1)** Who are active in the daily affairs of the enterprise; **(2)** who have the power to direct the management and policies of the enterprise; **(3)** who are members of a minority, as such term is defined in sub-section (a) of Section 32-9n." "**Minority**" groups are defined in section 32-9n of the Connecticut General Statutes as "**(1)** Black Americans... **(2)** Hispanic Americans... **(3)** persons with origins in the Iberian Peninsula... **(4)** Women... **(5)** Asian Pacific Americans and Pacific Islanders... **(6)** American Indians... **(7)** individuals with a disability considered a minority business enterprise pursuant to Connecticut General Statutes, Section 32-9e." The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder's qualifications under the contract compliance requirements:

- a) the bidder's success in implementing an affirmative action plan;
- b) the bidder's success in developing an apprenticeship program complying with Section 46a-68-1 to 46a-68- 17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- c) the bidder's promise to develop and implement a successful affirmative action plan;
- d) the bidder's submission of EEO-1 data indicating that the composition of its work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area; and
- e) the bidder's promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.
- f) the bidder's certifies firm is not listed on debarment lists promulgated pursuant to CGS, Section 31-53a and 34 CFR Part 85., Appendix A of federal statutes.

INSTRUCTION: Bidder must sign acknowledgment below, and return the signed acknowledgment to the State Department of Education along with the bid proposal.

Accordingly, care is taken to ensure that no person shall be excluded from participation in, be denied the benefits of, or otherwise be unlawfully discriminated against. Further,

_____ will not knowingly use the services of, patronize or otherwise deal with any business, contractor, subcontractor or agency that engages in acts of unlawful discrimination.
